HELP A DOG FIND THEIR WAY HOME

Three ways you can change a dog's life today

Volunteer at our Grayshott kennels

Spend time with our dogs through walks, play and gentle socialising. Your support helps them build confidence and learn that people are kind. Every moment you give prepares them for life in a loving home.

Foster a dog in need

A calm, caring home helps dogs heal, relax and learn to trust again. By offering short-term care, you help us understand their needs and get them ready for the right forever family. We provide all supplies, vet care and full support so you're never on your own.

Adopt and Transform a Life

If you're ready to welcome a dog forever, visit our website to meet the dogs currently looking for homes. You can apply online and learn how we support adopters every step of the way.
