

**Conquest Art**  
Enriching lives

**Conquest Art** is a charity, providing art groups where people with disabilities and health issues can develop their creativity, relax and make friends. We believe that everyone has a creative spark within them no matter what difficulties they face in everyday life.

We invite you to join us at our Annual Exhibition when we will be showing our members' achievements from our groups around the country. Each artwork tells you a little about our members and how they are overcoming adversity through creativity.

Visitors to the exhibition will have the opportunity to vote for their favourite artwork. All exhibits as well as cards and silk scarves will be available to purchase.

For further information please see our website.
